

RADiation *Worksheet*

Reflection | Application | Discussion

Week of February 12

God designed us to receive and reflect His love.

DISCUSSION & PRAYER ([PHILIPPIANS 4:6-7](#))

What has God done that you are thankful for this week?

What are you worried about?

SCRIPTURE

[1 Peter 1:21-22](#)

(Read these verses on your own and aloud as a group.)

REFLECTION

If you haven't already, take some time to do the Five Love Languages exercise online:

www.5lovelanguages.com/profile

What do your results say is your primary love language?

What surprised you (or didn't surprise you at all) about your results?

APPLICATION

How will knowing your love language and the love languages of others help you in different settings: At home? At work? Within your Small Group?

What are some ways you can experience God expressing love to you in your love language?

What are you willing to do to more effectively love the people in your church "deeply with all your heart"? (I will...)

NOTE: Mark your calendar for the week of March 5! Plan for your Small Group to meet with Aaron Winowski at New Day's Ministry Center that week to celebrate progress on the building, and to get an advanced look at things to come! Snacks will be provided.
