

# RADiation *Worksheet*

Reflection | Application | Discussion

*Week of March 3*

A disciple of Jesus trades their power and control for patience and self-control.

## DISCUSSION & PRAYER ([PHILIPPIANS 4:6-7](#))

*What has God done that you are thankful for this week?*

---

---

---

---

---

*What challenge are you facing?*

## SCRIPTURE

[Luke 22:24-27](#)

(Read this passage on your own and aloud as a group. It's a long one; consider sharing the reading responsibilities.)

REFLECTION

1. How do people achieve greatness in the world today?
2. How is that different from greatness in the Kingdom of God?

## APPLICATION

1. [Proverbs 16:32](#) says, "Better to be patient than to be powerful..." What plans or goals do you have where God may be telling you to patiently trust Him?
2. [Proverbs 16:32](#) also says, "...better to have self-control than to conquer a city." Self-control and patience are two of the nine facets of the fruit of the Spirit ([Galatians 5:22-23](#)). What change do you think people might notice in your life as you surrender more to the Holy Spirit?

NOTE: We're about halfway through the Small Group term. As you get ready for your service projects, talk about what unique contribution each person could make. If you have questions or need support, email [rachael@newdaywi.com](mailto:rachael@newdaywi.com).
