

RADiation Worksheet

Reflection | Application | Discussion

Week of February 22

We use our diverse gifts to grow into The Body of Christ that reflects The Fullness of Christ as we continue The Ministry of Christ on earth.

DISCUSSION & PRAYER ([PHILIPPIANS 4:6-7](#))

What has God done that you are thankful for this week?

What challenge are you facing?

DISCOVERY TEXT

[Matthew 6:19-21](#)

(Read this passage on your own and aloud as a group.)

REFLECTION *This is the "listening" part of "Anyone who listens to my teaching and follows it..." ([Mt 7:24](#))*

- The Comparison:** In verses 19 and 20, Jesus contrasts two different locations for our treasure. Earthly stuff is temporary. Heavenly stuff is eternal. What "treasures in heaven" do you think Jesus has in mind in this teaching?
- The Heart's Compass:** We tend to assume that we invest in what we care about. In verse 21, Jesus says it's the other way around: Our hearts go where we put our investment. Why is that different understanding important?

APPLICATION *(This is the "...and follows it..." part.)*

- Identifying the "Sandy Foundation":** If you look at your current anxieties, what "earthly treasure" (a relationship, a reputation, a level of comfort) are you most afraid of losing right now? How does that fear affect your ability to simply be with Jesus?
- The Pivot to Presence:** Building a resilient life involves shifting our treasure from things that rot to our eternal relationship with the Father. What is one practical way you can invest in your life with God this week that focuses you on being rooted in His presence?

NOTE: Keeping track of your group's prayers from week to week allows you to look back and see how God is working in, through, and around your group. If you have a great story to share, email aaron@newdaywi.com so she can celebrate with you!
