Reflection | Application | Discussion

Week of March 19

God gifts disciples of Jesus with at least one primary style of influencing: apostle, prophet, evangelist, pastor/shepherd, or teacher.

DISCUSSION & PRAYER ([PHILIPPIANS 4:6-7](#))

What has God done that you are thankful for this week?

What are you worried about?

SCRIPTURE

[Ephesians 4:11-16](#)

(Read these verses on your own and aloud as a group.)

REFLECTION

How have you seen our modern church model emphasize the “teacher” style of influencing over the other four? What are possible drawbacks to emphasizing one style (or gift) over the others?

This passage suggests that every disciple of Jesus is a saint set apart by God for a ministry. How do you think the church got to the point where “Minister” or “Pastor” is a paid position held by one or a few people in the body of Christ?

APPLICATION

If you haven't already, take some time to do the Five Fold Survey found at: <https://fivefold.3dmovements.com/>.

What do your results say is your primary style of influencing? What surprised you (or didn't surprise you at all) about your results?

How could you use your style of influence to help strengthen your Small Group?

NOTE: Make sure to finalize your group's plan for your Social and your Service Project soon!
