

RADiation *Worksheet*

Reflection | Application | Discussion

Week of February 5

Christ offers us the strength to cut ties with the things that pull us apart (worry) and to live in wholeness (contentment).

DISCUSSION & PRAYER ([PHILIPPIANS 4:6-7](#))

What has God done that you are thankful for this week?

What are you worried about?

SCRIPTURE

[Philippians 4:10-20](#)

(Read these verses on your own and aloud as a group.)

REFLECTION

What are some of the objections you have heard (or used) against giving a financial offering to/ through the Church?

Based on what you have read in Philippians, how do you think Paul would respond to those objections?

APPLICATION

NOTE: Occasionally we'll practice some of the simple (not necessarily easy) questions that make up a method called Discovery Bible Study (DBS)*.

These are three of the DBS questions:
What does this passage teach you about God?
What does it teach you about people?
What are you willing to do in response to what God is teaching you? "I will..."

NOTE: It's the third week of Small Groups! This would be a good time to pencil in possible dates for your social and service project. *If you want to know more about Discovery Bible Study and how this method is used in disciple-making movements around the world, check out discoverapp.org.
