

RADiation *Worksheet*

Reflection | Application | Discussion

Week of March 17

When disciples from different generations help each other follow Christ, the church becomes stronger and more effective.

DISCUSSION & PRAYER ([PHILIPPIANS 4:6-7](#))

What has God done that you are thankful for this week?

What challenge are you facing?

SCRIPTURE

Titus 2

(Read this passage on your own and aloud as a group.)

REFLECTION

1. What is something you have learned from your life experience that you wish you could tell your younger self?
2. What is something you wish an older generation understood about what you are experiencing in 2024?

APPLICATION

1. Paul's instructions address people in various situations. As you read Titus 2, which instructions stand out as applying to you in your situation?
2. What simple step are you willing to take this week to align yourself more with these instructions?
3. What will it take to equip the next generation with a vibrant faith in Jesus?

NOTE: If you've completed your service project and have pictures to share, or just have some fun pictures in general from your small group gatherings- please send them to rachael@newdaywi.com!
