## DISCOVERY TEXT

[Acts 4:1-22](#)

## REFLECTION *Listening for God*

1. Last week, we looked at [Acts 17:16-34](#), where Paul addressed the Athenians. In [today's passage](#), we see Peter addressing Jewish religious leaders. From the text, what prevented the religious leaders from using their power to control Peter and John?
2. "There is salvation in no one else! God has given no other name under heaven by which we must be saved" (v12). What do you think Peter is saying they all need to be saved from?

## APPLICATION *Following Him*

1. Where in your own life do you feel the subtle cultural temptation to ask Jesus to "scootch over" and share His throne?--with your own comfort, political identity, or desire to avoid conflict?
2. How does Peter's declaration that "Jesus is the only way" (v12) paired with his healing of the lame man (v9) confront the modern idea that Christianity is narrow-minded or unloving?
3. The healing of a lame man got people's attention and opened the door for them to hear and believe the Good News of Jesus. How can your Small Group service project be an "access ministry" like that?

NOTE: It's the second week of Small Group! Make sure to catch any stragglers up on the [Small Group Covenant](#), the shared expectations for your group. Start planning a service project that reaches outside the church, and a social that helps build relationships within your group.
