

RADiation *Worksheet*

Reflection | Application | Discussion

Week of March 10

Caring and communicating across generational divides is part of God's plan for the health and effectiveness of His Church.

DISCUSSION & PRAYER ([PHILIPPIANS 4:6-7](#))

What has God done that you are thankful for this week?

What challenge are you facing?

SCRIPTURE

[1 Timothy 4:12; 5:1-2](#)

(Read this passage on your own and aloud as a group.)

REFLECTION

1. What is a frustration you have expressed about a stereotype of a different generation?
2. Why do you think it is important to understand and appreciate people from different generations?

APPLICATION

1. Paul tells Timothy to “appeal to” people of different generations, rather than rebuking them harshly. What would it look like for you, in the face of a conflict with someone of an older or younger generation, to appeal to them?
2. Every Christian is called to share Jesus with others ([Matthew 28:18-20](#), [Acts 1:8](#)). How will understanding and appreciating people of other generations help you share Jesus?

NOTE: We're about halfway through the Small Group term. As you get ready for your service projects, talk about what unique contribution each person could make. If you have questions or need support, email rachael@newdaywi.com.
