

RADiation *Worksheet*

Reflection | Application | Discussion

Week of October 3

Key Idea: God turns our brokenness into health and hope.

DISCUSSION & PRAYER ([PHILIPPIANS 4:6-7](#))

What has God done that you are thankful for this week?

What are you worried about?

SCRIPTURE

[Ephesians 4:11-16](#)

(Read this chapter on your own and aloud as a group.)

REFLECTION

Paul shares a vivid picture of God’s vision for the Church. What stands out to you as you read the description of His plan?

When is a time you have seen God’s people (the saints) coming together in a way that looked like Paul’s description in Ephesians 4?

APPLICATION

None of us is perfect at speaking the truth in love. Do you have a greater tendency to overemphasize truth at the expense of love (being blunt and offensive), or do you tend to overemphasize love at the expense of truth (using flattery and deception)? Why do you think that is?

In your life, what can you do to know Jesus more and to be known by Him?

Schedule ten minutes of quiet time in your week to be with God. Be prepared next week to share how that went.

NOTE: It’s the second week of Small Group! Make sure to catch any stragglers up on the [Small Group Covenant](#), the shared expectations for your group. Start planning a service project that reaches outside the church, and a social that helps build relationships within your group.
